

My Soul Waits

Key: D

Written by Naomi Taylor and Carmin Giacomo

Bm Em D F#m

**My soul waits for You, my soul waits for You
And on Your word I meditate
My soul waits for You, my soul waits for You
More than watchmen wait for the morning**

**So I will come after You
I will seek Your face
It's You who satisfies
So it's You I chase**

**I don't care how long it takes
I don't care how long I wait
I must have more of You
I must have more of You**
