

# Secret Place

John Gabriel Arends

---

*C#m* *A* *E* *B*  
Oh, I want to know You more than ever before  
*C#m* *A* *E* *B*  
To plunge in Your river deeper than before  
*C#m* *A* *E* *B*  
To burn with Your fire hotter than before  
*C#m* *A* *E* *B*  
Oh, I want to know You more than ever before

*F#m* *A*  
'Cause I know there is so much more  
*F#m* *A* *B*  
'Cause I know You will fill me, Lord

*E* *F#m*  
So won't You take me to Your secret place  
*A* *B*  
Where I can unveil my face  
*E* *F#m*  
And I'll stay behind to meet with You  
*A* *B*  
Oh, there's nothing else I'd rather do  
*E* *F#m*  
Won't You take me away?  
*A* *B*  
Take me away
